Applied Equipment

ABB – global.abb – Variable speed drives for the HVAC industry available from 1 to 550 HP. Factory certified startup and servicing available.

ABOVE AIR TECHNOLOGIES – aboveair.com – High percentage outside air mission critical and comfort cooling systems

ACCUTROL – accutrolllc.com – Dritical environment control system, air valves, fume hood controls, airflow measuring.

ADDISON – addison-hvac.com – 100% Outdoor Air Systems DOAS, Split Systems DOAS, Heat Pumps

AIRTHERM – airthermhvac.com – Vertical and horizontal belt and direct drive fan coil units, available from stock

AMERICAN ULTRAVIOLET – americanultraviolet.com – Ultra-violet fixtures for coils, air handling units, in-duct systems, and mobile decontamination

ANNEXAIR – www.annexair.com – Advanced energy efficient air handling systems

BAC (BALTIMORE AIR COIL) – baltimoreaircoil.com – Cooling Towers, Closed Circuit Cooling Towers, Hybrid Cooling Towers

BALDOR RELIANCE MOTORS – Home-Baldor.com – Premium Efficiency AC Motors

BARD MANUFACTURING – bardhvac.com – Wall and indoor mount air conditioners

CLIMATE BY DESIGN – cdihvac.com – Dedicated desiccant air-supply units provide low-humidity conditions necessary to maintain a dry environment. Food Processing, hospital and surgical suites, ice arena, mobile rental, etc.

CLIMATE-MASTER – climatemaster.com – Commercial geothermal and water source heat pumps

COMPOSITE COOLING SOLUTIONS – compositemcooling.com – CCS is a custom cooling tower solutions provider specializing in the design and build of field erected fiberglass and concrete cooling towers.

CONDAIR – condair.com – Electronic steam humidifiers, centrifugal atomizing humidifiers; live steam type humidifiers

DESERT AIRE – desert-aire.com – Commercial, industrial, pool and residential dehumidifiers; high efficiency 100% OSA dehumidifiers with optional energy recovery wheel

ENTOUCH CONTROLS – entouchcontrols.com – HVAC controllers; thermostats for buildings and facilities; allowing for remote facility automation control, energy monitoring and alarming

ENVERID – enverid.com – HVAC Load Reduction modules with ASHRAE 145.2 certified air cleaning technology

FRANKLIN ELECTRIC – franklinwater.com – Motor starters for commercial and industrial applications.

GOVERNNAIR – nortekair.com/brand/governair – Custom air handlers, fanwall systems, energy pack custom HVAC solution, ultraline custom packaged rooftop systems

GREENHECK – greenheck.com – DOAS, make-up air units, energy recovery ventilators

GRIPPLE – Market-Leading manufacturer of wire joiners and tensioners for agriculture, suspension solutions for construction, HVAC ductwork hangers and support

HEAT PIPE TECHNOLOGY, INC. – heatpipe.com – World leader in HVAC heat pipe applications with complete lines of dehumidification wrap-around as well as energy recovery heat pipes.

HUNTAIR – nortekair.com/brand/huntair – Meeting mission-critical air management requirements for aerospace, biotech, hospital, pharmaceutical and semiconductor industries

IEC FAN COILS – iec-okc.com – Hydronic Fan Coil Units, horizontal and vertical fan coils units, modular hi-rise and belt driven fan coil units

INTEC – inteccontrols.com – Intec offers a complete line of sensors and controllers used with ventilation systems to prevent dangerous accumulation of toxic and combustible gasses.

JCI – johnsoncontrols.com – Fan Coil Units, VAV Boxes, Packaged and Split DX Units

LG – lghvac.com – Industry leading VRF solutions and ductless HVAC systems

MAMMOTH – nortekair.com/brand/mammoth – Providing custom-packaged HVAC systems that are the best and most economical solution for the entire facility lifecycle

MARKEL – markel-products.com – Electric Unit Heaters, Wall Heaters, Ceiling Heaters, and Hazardous Heaters

MONOXIVENT – monoxivent.com – Welding and vehicle source capture systems, exhaust hose reels, collectors

MSA – us.msasafety.com – Refrigerant monitors, alarms, gas detection systems

MULTISTACK – multistack.com – Flooded maglev chillers, water and air cooled chillers, heat recovery chillers

NORTEK AIR SOLUTIONS – nortek.com – Largest family of custom brand of HVAC brands. Custom Engineer innovative product solutions for every HVAC application

PRICE – priceindustries.com – VAV boxes, fan powered terminals and reheat thermal boxes, fan coil units, under floor systems, chilled beam

PRO-R DUCT – prorduct.com – Pro-R brand is part of the Ducts and Cleats line of durable, custom-fabricated ductwork products utilized in facilities of all sizes.

RAE COIL – rae-coils.com – Replacement steam coils, evaporator coils, booster coils, condenser coils, industrial coils

RAPID ENGINEERING – rapidengineering.com – Direct-fired and indirect-fired make up air units

SERESCO – serescodehumidifiers.com – Pool dehumidifiers, outdoor condensers, and fluid coolers

STERLING – Unit heaters, air curtains, rooftop furnaces, evaporative cooling units, packaged HVAC rooftop, indoor units, finned tube radiators

STULZ AIR TECHNOLOGY SYSTEMS – stulz.com/en-us – Precision temperature and humidity control equipment for data centers, ultrasonic humidifiers

TSI – tsi.com/home – Fume/lab hood controllers (VAV and constant volume) room pressure monitors and controllers

TEMTROL – Providing custom air handling solutions, fan upgrades, and coils for a variety of industrial and commercial applications

THYBAR – thybar.com – Custom roof curbs including adaptor curbs, side discharge curbs, insulated construction, and vibration isolation curbs

VENMAR – venmar.ca/home – Packaged energy recovery ventilators, energy wheels, heat pipes, plate heat exchangers

VENTROL – nortekair.com/brand/ventrol – A leader in providing innovative air handling solutions for today's most challenging HVAC applications

YORK – york.com – Air Cooled Chillers, Water Cooled Chillers, Modular Air Handling Units, Custom Air Handling Units

Air Distribution

AIRFIXTURE – airfixture.com/products – Underfloor air distribution systems where conditioned air is supplied through floor diffusers instead of ceiling diffusers

AQC INDUSTRIES/QDUCT – qcind.com – Outdoor preinsulated duct system, direct burial underground duct systems

DUCTSOX – ductsox.com – Fabric air dispersion products and systems; architectural and cost efficient

FLEXMASTER – flexmasterusa.com – Flexible duct, high efficiency take-off fittings, round dampers, and access doors

GREENHECK – greenheck.com – Fans, ventilators, blowers, exhaust, make up air units, louvers, dampers, fire and smoke dampers, kitchen hood systems, exhaust fans, controls and fire suppression systems

METAL-FAB – mtlfab.com – Commercial and industrial chimney products, no chase grease duct

PLASTEC – plastecventilation.com – Manufacturer of polypropylene and stainless steel fans and accessories for use in highly aggressive environments

PRICE – priceindustries.com – VAV boxes, registers and diffusers, wide variety of grills

S.P.O.T. – spotusa.com – Spiral pipe (round and flat oval), acoustic panels and plenums, sound attenuators, industrial diffusers and duct sealant

YOUNG REGULATOR – youngregulator.com – Sheet metal and duct specialties, VAV diffusers and dampers, motor-operated dampers, remote cable-operated dampers

Hydronics

AERCO – aerco.com – Condensing boilers and high-efficiency water heaters

THE DETECTION GROUP – thedetectiongroup.com – FM approved wireless water leak detection with cloud based 24/7 monitoring.

EASY WATER – easywater.com – Residential, commercial and industrial water treatment solutions that minimize maintenance, water waste, energy consumption and the use of salt or chemicals

GRAHAM – graham-mfg.com – Vacuum and heat transfer equipment, water-to-water plate heat exchangers, instantaneous steam, water heaters.

IMI HYDRONIC ENGINEERING – imiflowdesign.com – Pressurization, safety valves, dirt separation, degassing products, balancing, control, and actuators, thermostatic control, etc.

LAKOS – lakos.com – Filtration solutions for chilled water, condenser water, cooling tower basin sweeping, and process water systems

LYNC – lyncbywatts.com – Commercial heat pumps, water heater solutions, water quality solutions
